No.S.9079

Office of the Superintendent
Government Stationery,
Bangalore, Dated 13th Dec. 1939.

Retransmitted with compliments,

SECRETARIAT DEPT
15 DEC. 1939
GOVT OF MYSORE

Due to lack of sufficient machinery in the Government Press, it has become very difficult to make timely supplies of forms and registers to the various Departments and the addition of the printing work of the Insurance and Electrical Departments as per G.O. No. G.6448-512/P&S. 67-38-1, dated 5-1-1939, has made the work all the more difficult. The extent of this insufficiency may well be appreciated by the fact that the present machinery is giving about 22 million impressions a year (including impressions obtained by over-time work) whereas, if all the Departments have to be satisfied, nearly 50 million impressions are necessary. Proposals for the purchase of fresh machinery and for arranging double-shift work in the interim period, have, after being approved by the Press Committee, been submitted to Government and it may take a couple of years for the Press to become self-sufficient in equipment. I therefore recommend that upto the end of that period, the printing works of the Insurance and Electrical Departments except General Financial Forms may be permitted to be got executed in private presses, by the usual procedure of calling for quotations by the Departments and getting them scrutinised. At the end of this period, the question of getting these forms etc., executed at the Government Central ~~Jail~~ Press may be considered in the light of the equipment that might be added to the present equipment of the press during that period.

GEN. & REVENUE SECT.

10 In para 4 of G.O. dated 5-11-13 it was directed that the printing work of all Govt. depts. (including that of educational text-books & of the Insurance & Electrical Depts.) & of semi-official bodies whose work is done free of cost, be done at the Govt. Presses.

11 The Secy, Insurance Dept. reports that there is a considerable delay in supplying the required forms & registers under the new system. He, therefore, proposes to revert to the old system of getting the works done by private printing presses.

12 The Supdt. who was consulted in the matter, states that it may take a couple of years for the Press to become self-sufficient in equipment & recommends that, up to the end of that period, the printing works of the Govt. Insurance & Electrical Depts. (except Govt. financial forms) may be permitted to be got done in private presses.

by following the procedure laid down in para 6 of G.O. dated 5-1-39

13 The above Govt order does not authorise this. It has to be modified especially para 4. If agreed, the Govt Surveyor Deptt & Electrical Deptt may be permitted during the year 1939-40 in the first instance, to entrust their printing (except ~~of~~ some finance forms) works to well equipped private presses at Bangalore subject to the adoption of the procedure laid down in para 6 of G.O. dated 5-1-39

Reg para 10 above.

13/1 14 What became of the proposal to entrust the printing work of the Rly Deptt to private Presses?

6/1/39

15 The Superintendent in this office was requested in his office letter d 9/1/39, to furnish a statement showing the monthly & value of printing work entrusted to each private press in Mysore & Bangalore for

2013 PDS 37-38 13

Secy A.

Serial No.

January 1939 to the end of August 1939.

Pending the receipt of the Statement called for, no orders have been passed in the matter of entrusting the printing work of the Railway depts to private presses.

16 The proposal of the Govt in the matter of working the Govt Presses of Bombay & Rangoon on double shifts & the entertainment of additional staff thereof have not been sanctioned by Govt. The order is under misc. When the Govt presses resort to the practice of working double shifts, it may perhaps be possible for them to push & supply promptly the requisite forms & registers to the Insurance & Electrical depts. By the Govt says it is not possible. Then it does not seem necessary to modify the G.O. dated 5/7/39 so as to permit the above depts to entrust their work to private presses.

17 The Govts may accordingly

No. 6737

MYSORE STATE LIFE INSURANCE OFFICE.

From M. Viraraja Urs, Esq., B.A., B.L., dated the 25-10-39
Secretary, Mysore State Life Insurance Committee, Bangalore.

To

A.N. Raghavachar, Esq., M.A.,
Financial Secretary to the Government
of His Highness the Maharaja of
Mysore, Bangalore.

Sir,

Adverting to G.O.No.G.6446-P & S.67-38-1 dated 5-1-1939 directing among other things that the printing work of this Department may be done at the Government Press; I have the honour to state that agreeably to the instructions of the Government, a complete indent of the requirements of this Department consisting of the Official and Public Branches, was sent to the Government Press in April 1939 and sample forms were sent a little later. In a large number of cases, the Government Press has not supplied the forms though a number of urgent requisitions were sent. It is obvious that the Government Press may not be able to supply the forms and registers of this Department in time and much time is also lost in unnecessary correspondence and the work in this office which is a commercial one cannot but be dislocated by the non-receipt of registers and forms in time and even the public and Helpers have been complaining about the non-supply of forms from this office. The Department has been reduced to the position of having no stock even of rules copies and other important forms which are essential for day-to-day work, as supplies have not yet been made by the Government Press.

This Department was privilged from the very commencement to get some of its work done directly in private presses, after calling for quotations and a smal portion of the Official Branch printing work and a major portion of the Public Branch nonrecurring printing work were being got done accordingly in private Presses; the

the remaining recurring portion being entrusted to the Government Press. This was a very convenient procedure so far as this Department was concerned and it appears to be desirable in the interest of despatch of work to allow this Department to revert to the previous method of getting urgent work done in Private Presses directly after calling for quotations [illegible]. The position has become more acute now on account of the impending introduction of the addressing machine which requires the old-forms to be altered according to its needs. It is intended to start the new system with effect from 2-1-1940 by which time all the necessary new forms are to be kept ready printed. If there should be any delay in the introduction of the new system for want of forms it means that we shall be losing for that period the benefit of the large sum spent on the addressing machine which naturally will have to lie idle.

I therefore request very early sanction of Government to the proposal in the interest of work of the Department.

I have the honour to be,
Sir,
Your most obedient servant,

G. Madhava Rao

for SECRETARY,
INSURANCE DEPARTMENT.

GEN. & REV. SECTT. 16 JAN. 1940 FOREST BRANCH.

Sir,

I have the honor to invite reference to this office letter No.6737 dated 25-10-1939, requesting permission to get the urgent printing work of this Department in private Presses, as was being done prior to Government Order No. G. 6446-P & S.67-38-1 dated 5-1-39, and to request very early orders of Government, as many forms have been exhausted and as the supply has not yet been made by the Government Press and as preliminary work of the Adrema machine has been completed enabling the same to be brought into effect without any delay.

I have the honor to be,
Sir,
Your most obedient servant,

G Raghava Rao
For Secretary,
Insurance Department.

FROM M.Viraraja Urs,Esqr, B.A.,B.L.,
~~The~~ Secretary,
Mysore Govt. Life Insurance Department,
Bangalore.

To

A.N.Raghava Char, Esqr, M.A.,
Financial Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to invite reference to this office letters Nos. 6737 and 11735 dated 25-10-39 and 12-1-40, requesting permission to get the urgent printing work of this Department done in Private Presses after calling for quotations, as was being done prior to Government Order No.G.6446-P & S 67-38-1 dated 5-1-39, and to state that the Superintendent, Government Printing has not yet supplied this office with many forms and registers the stock of which has been exhausted. Great difficulty is being felt in the conduct of the work of this office. Besi the preliminary work of the Adrema machine has been completed and the same has to be brought into use without any delay after getting special kinds of forms to suit the machine printed.

In view of the above circumstances, I solicit very early orders of Government in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

G Madhava Rao

For Secretary,
Insurance Department.
